

# NINE NETWORK ( OVER TWO TEAMS )

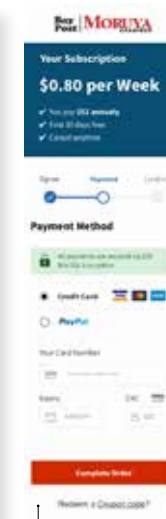

PRODUCT UI/UX DESIGNER FOR NINE & MAKING PRODUCTS IN ONE TEAM & ON-BOARDING USERS IN THE OTHER FOR 89 DIGITAL NEWS SITES & ALL IN RESPONSIVE DESIGN.

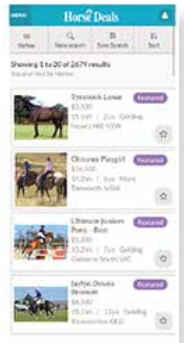

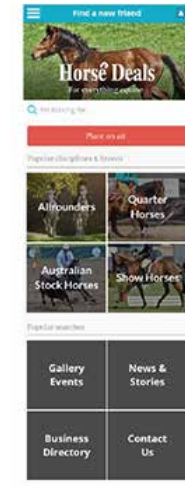

Built a video dashboard for use throughout the 89 digital news sites and contain latest news and archive video.

Video countdown and progression bar with drop down of other video recommendations.  
Plus building slideshows with enlarged views and other news items made.

UX on-boarding skills needed to retain and gather new users and to get payment for subscriptions.

Doing UX reviews of websites and making new models to improve the user experience.
