Simple but effective design just using the Nav Bar to journey through the Promo Screens. Screens slide in from right upon clicking Nav Section. You are taken to Credit Card payment portal upon clicking the BUY NOW button on each screen. Search Icon expands outside for input entry.

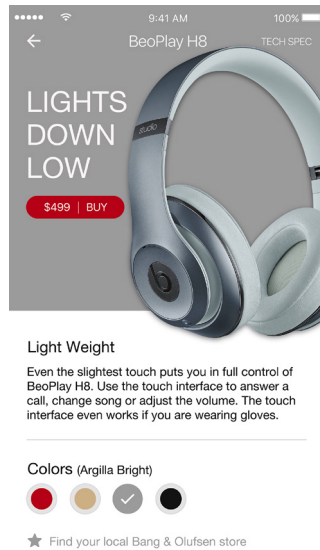

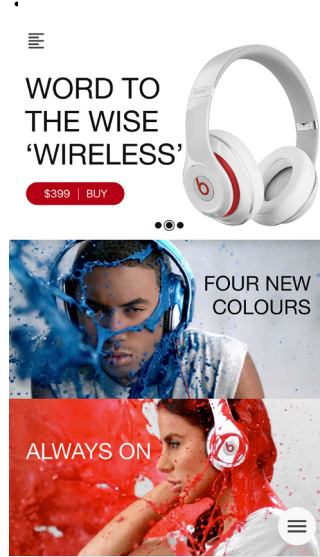

BEATS

MOBILE VERSION, PROMOTING THIS NEW SET OF HEADPHONES FOR DR. DRE'S BEATS.

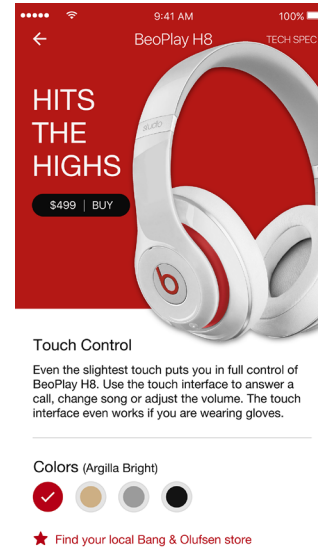

Home screen is a scroll down screen of celebs and products. The Navigation uses buttons on each screen to move through screens. Screens slide smoothly from right.

Light Weight
Even the slightest touch puts you in full control of BeoPlay H8. Use the touch interface to answer a call, change song or adjust the volume. The touch interface even works if you are wearing gloves.

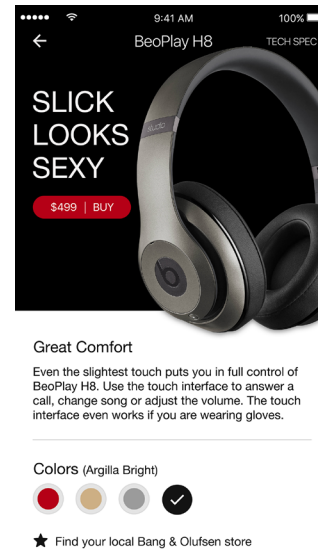

★ Find your local Bang & Olufsen store

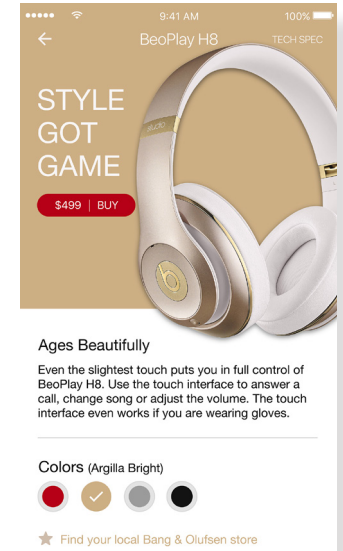

Touch Control
Even the slightest touch puts you in full control of BeoPlay H8. Use the touch interface to answer a call, change song or adjust the volume. The touch interface even works if you are wearing gloves.

Colors (Argilla Bright)
Four color swatches: red, gold, grey, and black. The red swatch is selected.
★ Find your local Bang & Olufsen store
